

## **Admission Essay Plagiarism Policy**

### Artificial Intelligence Use

At Generations College, we value originality, critical thinking, and personal expression in the admissions process. To maintain the integrity of our application review and scholarship decisions, we strictly prohibit the use of artificial intelligence (AI) tools, including but not limited to ChatGPT or any other AI-assisted writing software, in the creation of admissions essays.

### Guidelines

1. Original Work Requirement – All admissions essays must be written solely by the applicant without assistance from AI-generated content.
2. Verification Process – Generations College reserves the right to review and verify the authenticity of submitted essays through plagiarism detection software and AI content analysis tools.
3. Consequences of AI Use – If an applicant is found to have used AI in any part of their essay:
  - a) Their application may be denied.
  - b) They will be ineligible for any scholarships offered by the college.
  - c) If AI-generated content is discovered after admission, it may result in disciplinary action, including possible revocation of acceptance.
